Project Active

Project Active is Hillbrook's co-curricular activity program which provides opportunities for students to pursue new interests and hobbies, and to mix with students from all year levels. Project Active is compulsory for students in Years 7-9 and encourages development of specific skills. Most activities occur before or after school and some take place on the weekends. Prices vary depending on the activity chosen and there are always free and low-cost options available.

PAYMENT OPTIONS

Parents will have access to an online payment portal, FACTS, to view their fees and account balance and schedule payments. Payments can be scheduled via direct debit using a credit/debit card or directly from a bank account. Some changes to payment plans, for example the deferral of a scheduled payment, can be self-managed through the FACTS portal.

Parents who have not chosen a payment plan will be invoiced quarterly and can make payment online using their credit/debit card or bank account.

ENROLMENT & CONFIRMATION PAYMENTS

Enrolment Application Fee

A \$200 non-refundable fee per child is payable upon enrolment application.

Enrolment Confirmation Fee

Two non-refundable confirmation payments, totalling \$3,800, are required to be paid when accepting a place at the school:

- 1: \$1,800 payable on acceptance
- 2: \$2,000 payable in the year prior to commencing.

Note: \$3,000 of these payments is credited towards Term 1 fees.

REQUIREMENT TO GIVE NOTICE

The School's Enrolment Policy requires a full term's notice if a student is withdrawn from the School. If a term's notice is not given by the first week of term prior to departure, payment of one term's fees is required, in addition to the fees for the current term. This is a condition of enrolment agreed to when accepting a place at Hillbrook.

OVERDUE PAYMENTS & ACCOUNTS

Payments not received by the due dates are considered to be in arrears and in breach of the Enrolment Agreement. To maintain enrolment, it is a mandatory requirement that families enter into an agreed fee payment plan with the school. The school reserves the right to withdraw a student's enrolment if fees are not consistently paid as and when they fall due, unless prior arrangements have been agreed in writing.
