Project Active is compulsory each Semester for students in Years 7-9 and encourages development of specific skills. Most activities occur before or after school and some take place on the weekends. Prices vary depending on the activity chosen and there are always free and low-cost options available.

PAYMENT OPTIONS

Parents will have access to the FACTS payment portal to view their fees and account balance and schedule payments. Payments can be scheduled via direct debit using a credit/debit card or directly from a bank account. Some changes to payment plans, for example the deferral of a scheduled payment, can be self-managed through the portal.

Parents who have not chosen a payment plan will be invoiced quarterly and can make payment online using their credit/debit card, bank account or BPay.

ENROLMENT & CONFIRMATION PAYMENTS

Enrolment Application Fee

A \$200 non-refundable fee per child is payable upon enrolment application.

Enrolment Confirmation Fee

Two non-refundable confirmation payments, totalling \$3,800, are required to be paid when accepting a place at the school:

- 1: \$1,800 payable on acceptance
- 2: \$2,000 payable in the year prior to commencing.

Note: \$3,000 of these payments is credited towards the first Term fees.

REQUIREMENT TO GIVE NOTICE

The School's Enrolment Policy requires a full term's notice if a student is withdrawn from the School. If a term's notice is not given by the first day of term, payment of one term's fees is required, in addition to the fees for the current term. This is a condition of enrolment agreed to when accepting a place at Hillbrook.

OVERDUE PAYMENTS & ACCOUNTS

Payments not received by the due dates are considered to be in arrears and in breach of your Enrolment Agreement. The school reserves the right to withdraw or suspend a student's enrolment if fees are not paid by the due date, unless prior arrangements have been agreed in writing.

The School may pass on any fees incurred by a third party to collect outstanding fees on behalf of the School. An administration fee of \$50 per calendar month may be charged at the discretion of the School on overdue balances that are outside the terms of a payment plan that has been previously agreed to in writing.
