

30 January 2020

Dear Parents

As you will be aware the Australian Government is closely monitoring an outbreak of a respiratory illness caused by a novel (new) coronavirus first identified in Wuhan, Hubei Province, China.

A new advice has been provided by health authorities in the last 24 hours regarding the management of the coronavirus which now includes:

- returned travellers who have visited China (any region) cannot attend school, childcare or TAFE for 14 days after leaving China or Hong Kong. This excludes Hong Kong if you only stopped for a flight change at the airport.

With this advice in mind, we are asking any families who have visited China or Hong Kong within the last 14 days to contact our Communications Manager, Annie Pappalardo by replying to this email or calling 0412 505 193.

If you would like more information on coronavirus please click [here](#).

We will continue to monitor developments and follow the Australian Government Department of Health's advice and will keep you informed.

Yours sincerely

School Leadership Team
