

Coronavirus (COVID-19) – Update #11 – 24 April 2020

We are writing to update you on a few things for the coming week. We also wanted to offer our appreciation for your support as we have together navigated our first week of Remote Learning.

New Timetable from Week 2

Our customised timetable for Remote Learning is the main way of communicating our weekly schedule with students. From Monday we move to the **27 April Onward timetable** where Lesson 1A will begin at 8:50am. If you have printed out the timetables, we would recommend reprinting (after 5pm today when they will be finalised) as there have been some revisions since you received access. Please ask your children to use the online version as their guide because lessons may change during Remote Learning Mode.

2. Guided Lessons and Zoom Lessons

A reminder that students are required to be in attendance online for all green Zoom lessons. The yellow self-guided learning remains the time when students are to complete their set class work. We encourage balancing the self-guided learning time with some non-screen time and regular breaks, including some outdoor and exercise time.

3. Year 12 Parents

We've now added details to the Year 12 Info Page [here](#) regarding external exams.

4. Assembly

Today we held our first Remote Learning Assembly, including a special Anzac Day tribute. Please ask your child to show you where to view it via Online@Hillbrook.

5. Check In Calls

As mentioned in a recent App Push, our teachers will be in contact with you over the next week or so to check in and see how things are going for you.

6. Dinner to Go!

Our Chef Trevor is now cooking restaurant quality take home meals for our community to purchase. They are delicious, nutritious and make dinner time really easy. Meals come frozen in packs to serve 2 and 4. Please find a menu attached and more details [here](#).

Our Hillbrook Newsletter will resume again tonight and we hope you enjoy our first Remote Learning edition. If you have any questions about any of the above or anything else regarding Remote Learning please feel free to contact us.

Yours sincerely
School Leadership Team
