

Coronavirus (COVID-19) – Update #12 – 5 May 2020

Yesterday the State Government announced plans for a staged return to school for Queensland students and we are writing to let you know our plans for resuming face-to-face learning.

We will be following the health advice and guidelines provided by the State Government and our student return dates are as follows:

- **Monday 11 May 2020**
Return of Year 11 and 12 students to school for face to face learning.
- **Monday 25 May 2020**
Return of Year 7, 8, 9 and 10 students to school for face to face learning.

The State Government will be reviewing these plans on Friday 15 May in consultation with the Chief Medical Officer, and we will keep you updated if there are any changes to the above dates.

We have worked through some of the new safety measures which will be in place when students return to school and we will share these with you closer to your child's return date.

Year 11 and 12 parents will receive an email tomorrow regarding next week.

We would like to thank you for your continued support and we look forward to seeing your children back at Hillbrook.

Yours sincerely
