

Coronavirus Update 13 – 6 April 2020

We are looking forward to welcoming back our Year 11 and 12 students next Monday 11 May when face-to-face lessons will replace remote learning mode.

We will be doing everything we can to keep our students and staff as safe as possible while they are at school. The [hygiene measures](#) in place for staff and students prior to school closing have been updated to include new protocols in line with the most recent advice. You can view them [here](#). We've also attached a letter from the Queensland Chief Health Officer with advice on returning to school.

We understand some parents may wish to keep their children home due to health vulnerabilities regarding COVID-19. If this is the case for you, **please reply to this email as soon as possible** so we can contact you and work through how to support [[student_preferred_name]] when we return to face-to-face learning.

If your Year 11 or 12 child has been assisting you with the supervision of younger siblings who attend Hillbrook, please advise us if you would like them to attend Home@Hillbrook until their face-to-face learning recommences on 25 May.

You will receive an email on Friday which will contain further information required for next week.

We are looking forward to resuming face-to-face lessons next week.

Yours sincerely
School Leadership Team
