

Coronavirus (COVID-19) Update #16 – 3 July 2020

We hope you are enjoying the school holidays, especially with the easing of COVID-19 restrictions.

Unfortunately, this isn't the case for Victoria and we are writing to remind you of the travel restrictions commencing from midday today.

"If you have travelled to any local government area within the State of Victoria during the last 14 days, you must quarantine for 14 days. Queensland residents must not travel to any local government area in Victoria from midday today."

To protect our School community, we are asking our families to observe the following when returning to School for Term 3:

- If anyone in your household has been to Victoria during this past week, we ask that you keep your children home until the 14-day period has been reached. For example - if you returned from Victoria yesterday, your children can return to School on Friday 17 July.
- The same applies if you have had anyone come to stay in your home from Victoria during this past week. We ask that you keep your children home until the 14-day period has been reached.

If you fall into either of the categories above, please reply to this email as soon as you can.

We will provide you with a further COVID-19 update prior to the commencement of Term 3.

As always, we thank everyone for doing their part to keep our community safe.

Yours sincerely

School Leadership Team
