

Coronavirus (COVID-19) – Update #9 – 3 April 2020

We would like to share a few things with you before we head into Term 2.

- Term 2 Preliminary Information [here](#)
- Home@Hillbrook – Expression of Interest Term 2 [here](#)
- Video Tour of Our New English and Science Spaces [here](#)
- An Easter Message from Our School Chaplain [here](#)

We've also attached a list of 'isolation activities' that might help you and your family during this time over the Easter break. For a bit of fun, here are some extreme tips from the experts in isolation – [Space Station astronauts](#).

Thank you for being so supportive during an extraordinary Term 1.

Have a safe and restful Easter and as Chris Hadfield (Astronaut) says ... take care of your Space Ship.

Yours sincerely

From all of us at Hillbrook
