

HILLBROOK CAFE

The aim of the Cafe is to service the children and staff of our school with a variety of nutritious and well-balanced meals and to provide healthy food choices for the students.

We are open from breakfast to lunch, 5 days a week. We welcome you to join our friendly volunteers and come along to enjoy the company of other parents who have children at the school.

Our roster is flexible, so we can incorporate all offers of help - whether a full day e.g. 8:15am to 1:50pm, or for only a few hours in the morning - all assistance is very much appreciated.

We look forward to meeting you and hope you will consider being part of our friendly team. Please phone 3354 6422 if you can assist.
