

COVID Update 4/2021 – 29 March 2021

As you may be aware we have just been advised by Queensland Health that the Greater Brisbane area is going into a 3 day lockdown from 5pm today.

Schools have been asked to close, and due to the fact that Hillbrook is in close vicinity to the outbreak, we will be closing the school to all staff as well as students.

We will not engage in remote learning in the lead up to the break, however students will be expected to complete any assignments due during this time and submit electronically. Teachers will be in touch with students to communicate these expectations.

Year 11 exams will continue today, however the remainder will be rescheduled next term.

Year 8 Parent Student Teacher meetings are postponed.

At this stage we are unsure what will happen with Year 12 camps and will keep you updated when we know more.

If you need to pick your children up early today, please reply to this email rather than calling reception. Students will have their phone with them from 10:30am so you can communicate any early pick up with them. Please provide your child's name, Home Class and time you would like to pick them up.

There will be an update on Wednesday by the Queensland Government and we will provide you with further information after this.

Stay safe and please don't hesitate to contact us via reply to this email if you have any concerns or if you are contacted by Queensland Health Contact Tracers.

Yours sincerely

Geoff, Stephanie, Mark, Bronwyn and Brent
School Leadership Team
