## COVID UPDATE #6/2021

We are writing to touch base with you in relation to the current COVID situation in Queensland.

At the moment Queensland is not in lockdown, and travelling to Queensland is only closed to residents of Greater Sydney, including the Central Coast, Blue Mountains, Wollongong and Shellharbour. You can find the current travelling to Queensland details [here](#).

This wave of COVID appears to be moving quickly, especially as we are now dealing with the Delta variant. With this in mind, we ask if you are travelling, or planning to travel, please ensure you keep up to date with the current border restrictions. A trip interstate during the next fortnight may impact your child's return to school at the start of Term 3.

Here are some quick links for essential information regarding current COVID restrictions etc:

**Important Information for Year 11 parents** – next week's Year 11 Self Directed Camps are currently under review as some are located in Northern NSW. We will be in touch with any changes/cancellations by Friday.

We will continue to keep you informed and updated if, and when, the current situation changes.

Please stay safe and please feel free to contact us if you have any questions/concerns.

Yours sincerely
