Project Active

Project Active is Hillbrook's co-curricular activity program which provides opportunities for students to pursue new interests and hobbies, and to mix with students from all year levels. Project Active is compulsory each Semester for students in Years 7-9 and encourages development of specific skills. Most activities occur before or after school and some take place on the weekends. Prices vary depending on the activity chosen and there are always free and low-cost options available.

ITS Levy – Years 11 and 12 Elective

Due to the scope of the practical element for the Year 11 and 12 subject (the building of larger scale, quality projects), we need to apply an additional charge of \$275 per semester for Years 11 and 12 to cover the costs of these materials.

PAYMENT OPTIONS

Parents will have access to the online payment portal to view their fees and account balance and schedule payments. Payments can be scheduled via direct debit using a credit/debit card or directly from a bank account. Some changes to payment plans, for example the deferral of a scheduled payment, can be self-managed through the portal.

Parents who have not chosen a payment plan will be invoiced quarterly and can make payment online using their credit/debit card, bank account or BPay. Quarterly invoices will be due on **24th of February, May, July and October**. There are no surcharges when paying with VISA or Mastercard (AMEX is not accepted).

ENROLMENT & CONFIRMATION PAYMENTS

Enrolment Application Fee

A \$250 non-refundable fee per child is payable upon enrolment application.

Enrolment Confirmation Fee

Two confirmation payments, totalling \$4,000, are required to be paid when accepting a place at the school:

- 1: \$2,000 payable on acceptance
- 2: \$2,000 payable 14 months prior to commencement date.

From Year 7, 2024, \$3,000 will be credited towards the final fee statement during the last year at Hillbrook.

Confirmation fee payments are generally non-refundable, however concessions will be made in some instances at the discretion of the Principal, including:

- Timing of the notice of cancellation
- Financial impact due to a change of family circumstances.

REQUIREMENT TO GIVE NOTICE

The School's Enrolment Policy requires a full term's notice if a student is withdrawn from the School, during the school year. If a term's notice is not given by the first day of term, payment of one term's fees is required, in addition to the fees for the current term. This is a condition of enrolment agreed to when accepting a place at Hillbrook. **Note:** The notice period does not apply to withdrawals made within 30 days after the notification of a fee increase.

OVERDUE PAYMENTS & ACCOUNTS

Payments not received by the due dates are considered to be in arrears and in breach of your Enrolment Agreement. The school reserves the right to withdraw or suspend a student's enrolment if fees are not paid by the due date, unless prior arrangements have been agreed in writing.

The School may pass on any fees incurred by a third party to collect outstanding fees on behalf of the School. An administration fee of \$50 per calendar month may be charged at the discretion of the School on overdue balances that are outside the terms of a payment plan that has been previously agreed to in writing.
